

Card Design Conditions of Entry

Entry is open to anyone who has a desire to design, colour, paint or draw! Please encourage your child(ren) to enter so we have lots of wonderful entries to choose from or why not have a go yourself! You can enter as many designs as you wish

You will need to be able to send us a good quality final image please of your design – this can be scanned or if you use your device to capture an image it must be very good quality. All images are to be sent to info@buttonybear.org.uk once you have completed the entry form

Final design size will be A5 (a template can be downloaded here together with some tips on your design)

If your child finds it easier to work at a larger size that is fine but the final size of the card will remain A5 (148mm x 210mm). If we choose their larger design, we can work to fit the design to the card's final size. You will still need to be able to send us a good quality image of the entry even if it is larger

Closing date for entry is Sunday 7 November. We regret entries received after this time may not be included

Our judges (trustees) will choose up to six winning images, which they feel best represent the spirit of Christmas or holiday celebration and Buttony Bear. Winning entrants will be notified during the week commencing 25 October

Judges reserve the right not to include any entry where it is felt inappropriate to do so or where there is any information in the design that personally identifies someone. No further discussion will be entered into and the judges' decision is final.

Entrants will be asked to provide their name, age (exact, if under 18) however the winning entrants will not be personally identified without permission
